Dear Congresswoman Chu:

Our most heartfelt congratulations on your election to the United States Congress!

For the illustrious record, you have been such a wonderful public servant in California and it has always been a tremendous pleasure to work with you and your staffs over the last few years on matters specifically related to Acupuncture in the state. The profession, the practitioners and the public remain very indebted to you for your service, your caring, your ethic and your good work.

As you begin this next chapter in your extraordinary career, we hope that we will have the occasion to work together on issues of importance to this nation - and there are many!

Again, Judy, congratulations on this next adventure and a heartfelt thank you for all that you have done for California.

Best wishes and most sincerely,

Sandra Carey
